

- 1) The basic philosophy re allocation of production responsibility
to non-USIBs
- 2) Additional Points:
 - a) HEW, unlike USIA or AID, does not have overseas representation
which could be compromised
 - b) Most of the research (90%) is based on open sources
 - c) HEW is endowed with appropriate expertise -- applied sociology --
best equipped to produce in this field
 - d) President Truman in 1950: "It is my firm conviction that
national security objectives require the maximum effective
utilization of the established civilian agencies"
